

LAUNCHPAD

GEORGIA TECH SCHOOL OF INDUSTRIAL DESIGN | FALL 2023 STUDENT SHOWCASE

THURSDAY | DECEMBER 14 | 6 - 9 PM

Launchpad is the platform for exhibiting the breadth of designs from Georgia Tech's industrial design students. This event stands as a demonstration of their talent, creativity, and commitment to human-centered design. Over time, it has evolved into a notable assembly, uniting students, faculty, alumni, industry professionals, and design enthusiasts. We welcome anyone interested in exploring how design can enhance the human experience.

Thursday | December 14 | 6 - 9 PM
Georgia Tech College of Design
247 4th St. NW Atlanta, GA 30332

Parking available in Visitor Area lots. Hourly parking rates apply. Area lots 2, 3, 4, 8 are recommended. [View parking map.](#)

6:00 PM - 9:00 PM

Launchpad Design Showcase

A large exhibit of designs from our graduate and undergraduate students.

6:00 PM - 7:00 PM

Make 10 Marketplace

A one of a kind marketplace of student designed and manufactured products. Each product has limited quantities - 10 to be exact. These creations can make for unique holiday gifts. Get your favorites before they sell out!

6:30 PM - 6:45 PM

Opening Remarks & Special Service Recognition

Welcome remarks and acknowledgment of influential contributions to Georgia Tech and design education.

5:30 PM - 8:30 PM

ID Alumni Lounge

An exclusive space for ID alumni to reminisce and reconnect.
